Mower Rules

1. Mower must be a Factory available mower lawn or garden mower (no homemade frames)
2. No rear engine lawn mowers are allowed.
3. Engine must be factory lawn mower engine such as Briggs & Stratton, Tecumseh, Onan, etc.
4. All frame modification and frame reinforcing will be allowed.
5. Transaxles must be factory available mower transaxles but any reinforcing and/or welding of spider gears is permitted.
6. Engine bay reinforcing is permitted but must be contained inside of hood and must maintain factory body lines.
7. All mowers must run a factory hood and fenders and have the hood either screwed or welded down to dash panel around drivers area. (Note if hood is fiberglass you can make one out of sheet metal only but must be the same size as the fiberglass one.)
8. Mowers must have good brakes and forward and reverse gears at the heat.
9. Gas tank must be secured and have a cap on it (any gas at all leaking and you will be ask to shut it down)
10. Leg guards are mandatory and must be bolted and/or welded from rear fender to front of foot rest or frame (Call?)
11. A rear bumper is permitted but is not allowed to extend more then 4 inches out and it must stay in between the tires also no spikes, sharp edges or any protrusions allowed (bumper can be homemade with I/H beam or sq. tubing. Call?)
12. Regearing and changing of pulleys to increase speed is permitted and encouraged.
13. Any and all drive train modifications are permitted but must stay built driven.
14. All mowers must use lawn mower type wheels tractor treads and cut tires will be permitted but no tire chains or dual wheels will be allowed.
15. Mower decks must be removed.
16. All head lights and any other glass and plastics must be removed before you enter the pits.
17. Batteries must be removed form mower and only used to jump start the mower before the heat begins. If a pull start is used, driver will not be permitted to restart engine during the heat.
18. No front bumpers you can build up the front of the frame and underneath the grill to hit with. The front of the mower must be a smooth finish for safety.
19. Roll-over* driver are out of heat. Also, if a driver touches the ground with a hand or a foot, drivers are also our of the heat.
20. For safety, if a mower does roll-over all drivers must stop and wait until that driver up-rights his mower and gets off the track.
21. Please put your number on each side of your mower or your helmet so we can track the winners.

The rules and/or regulations set forth herein are designed to provide for the orderly conduct of the derby event and to establish minimum acceptable requirements for such event. These rules shall govern the condition of the event, and by participating in the event, all participants are deemed to have complied with these rules. No expressed or implied warranty of safety shall result from publications of/or compliance with these rules and/or regulations. Allen County derby officials shall be empowered to permit minor deviation from any of the specifications herein or impose any further restrictions that, in their opinion, do not alter the minimum acceptable requirements.

Any interpretation or deviation of these rules is left to the discretion of the officials, whose decision is final.

Any questions regarding these rules please contact: Tim Clark - 740-857-2033.
